

Testimonials

“ This seminar was fantastic! We are going home a changed couple! Learned so much and gained many new insights in a non-threatening, setting.

“ Really enjoyed the very tasteful, Biblically based and practical presentation of a delicate subject. The sessions were frank, down-to-earth, humorous and very informative. These presenters were real ordinary people! We could relate to them. Appreciated the separate sessions for men and women.

“ We left feeling energized, affirmed and encouraged that we could also have an exciting, meaningful and mutually satisfying sexual life. The creative, affordable ideas to keep our marriage alive and growing were so helpful! I will use them right away!

****Attendance at this seminar is NOT an admission that you and your spouse are struggling in this area or are dysfunctional – rather an admission that you have a great marriage and you wish to make it greater!!**

(P.S. – Logistics or techniques of lovemaking will not be discussed *No small groups *No opportunity for self-disclosure *Seminar will not address the needs of individuals with deep sexual abuse/wounds from the past).

This seminar is not a repeat of the Ladies Only Seminar –Understanding and Meeting Your Husband's Sexual Needs – rather a Part Two. We are presently developing a Men's Only seminar. See website for next Ladies Only seminar in your area.

“ Where was this much needed course 25 years ago? This would have helped us out enormously – however, you are never too old to learn and change. Would highly recommend this seminar to couples of any age, especially engaged couples.

“ Loved the "homework"! My wife and I haven't shared so openly on this important topic for years. This seminar was a catalyst to get us talking.
